For Immediate Release

Columbus Association of Health Underwriters Offers “Analysis of Health Insurance Exchange Mechanisms”

Columbus (October 29, 2008) – Join the Columbus Association of Health Underwriters (CAHU) on November 11 at Confluence Park Restaurant, 679 Spring Street, Columbus for a program entitled “Analysis of Health Insurance Exchange Mechanisms,” presented by: John A. Dodd Jr., CLU, CHFC, RHU. There will also be a Legislative Update and State of the State Association report from the Ohio Association of Health Underwriters (OAHU), sponsor of this event. With health insurance affordability and accessibility consistently ranking as one of the top domestic policy concerns, many state and federal lawmakers are considering significant reforms, similar to the Massachusetts Health Insurance “Connector.” The National Association of Health Underwriters (NAHU) has thoroughly evaluated the policy ideas behind “Connector”/“Exchange” proposals and has serious concerns about these proposals. This class will give you not only an understanding of these proposals, but also NAHU’s recommendations.

Registration and a lunch buffet will begin at 11:30 AM and will be followed by the 2-hour program at 12:30 PM. Due to the overwhelming interest in this topic, only those who pre-register will be able to attend.

Cost of the program, which has been approved for two (2) insurance CE’s, is \$20 for members and includes lunch. Call CAHU at 614-436-6211 for more information or to request a reservation form. More information on the program is also available on the CAHU website at www.columbusahu.org.

###

The Columbus Association of Health Underwriters is comprised of health insurance professionals that are dedicated to the promotion of excellence in the health insurance industry through information, education and leadership.
