

Want to earn 31.25% commission?

OAHU has partnered with Compensation Consultants Inc. (CCI) to offer you a valuable member benefit: the OAHU Workers' Compensation Group Rating Program.

Your clients and potential clients could save up to 77% on their workers' compensation premiums while you make 31.25% commission.

The program is simple. Just have your clients complete an AC-3 form so that CCI may provide them with a no-cost, no-obligation quote of their potential workers' compensation savings. Send the form to CCI and we will do the rest.

COMPENSATION CONSULTANTS INC.

CCI Will Provide You With:

- A quick and easy program to administer.
- Preprinted marketing brochures to send clients and prospects.
- Follow-up sales support with clients that qualify for the program.
- 31.25% yearly commission for businesses that qualify.
