

Resolve to Be Safe

Safety resolutions for the New Year

Let's resolve to make 2009 a safe and accident-free year for us all. Here are suggestions for workplace safety resolutions that will help protect everyone.

I resolve to:

- **Take advantage of safety training** to learn what I need to know to protect myself from workplace hazards and prevent accidents.
 - **Pay attention** while I'm working and avoid distractions.
 - **Wear assigned PPE** every time it is required—no exceptions, no excuses.
 - **Keep alert for hazards** and correct or report safety or health hazards I see.
 - **Talk with my supervisor** when I have a safety-related question or concern.
 - **Encourage co-workers to work safely.**
 - **Report accidents**, near misses, or other incidents to my supervisor right away.
 - **Take care of my health** so I come to work well rested and ready to work every shift.
 - **Practice the safety precautions I learn at work at home**, too.
