Active Pending Legislation

H.B. 1 (Sykes) – Biennial Budget

On February 12, 2009 Representative Vernon Sykes (D-Akron) introduced Governor Strickland's biennial budget proposal. Earlier this week the House Finance Committee unveiled a substitute version of the bill and took testimony from the public concerning the sub-bill. The bill is scheduled for possible amendments and a possible committee vote on Monday, Tuesday and Wednesday of next week. It is anticipated that the full House will pass the bill sometime next week.

H.B. 8 (Celeste/Garland) – Autism Coverage

Representatives Ted Celeste (D-Grandview Heights) and Nancy Garland (D-New Albany) introduced H.B. 8 to prohibit health insurers from excluding coverage for specified services for individuals diagnosed with autism spectrum disorder. This legislation is one of the priority bills for the House Democrat Caucus. The bill passed out of the House Healthcare Access & Affordability Committee on March 31st.

Other Pending Legislation

H.B. 122 & S.B. 98 (Boyd & T. Patton) – Physician Designations Protections

On April 4 and April 8, 2009, Representative Barbara Boyd (D-Cleveland Heights) and Senator Tom Patton (R-Strongsville), introduced H.B. 122 and S.B. 98, respectively, to place various requirements on health insurers that operate a system for physician designations including what must be considered in the evaluations, disclosure requirements, appeal rights and legal remedies against an insurer if a provider is adversely affected by a violation of the requirements. H.B. 122 has been referred to the House Health Committee and S.B. 98 has been referred to the Senate Insurance, Commerce & Labor Committee.

H.B. 125 (Williams) – Establish Family Health Plus Component of Medicaid Program

On April 8, 2009 Representative Sandra Williams (D-Cleveland) introduced H.B. 125 to require the Director of Job and Family Services to seek a federal Medicaid waiver to establish the Family Health

Plus component of the Medicaid program, and imposes an assessment on hospitals to help fund the program. The program establishes criteria to allow individuals 18 – 64 whose income or resources exceed the Medicaid program’s eligibility requirements to qualify for health care coverage under the Medicaid Family Plus component. The bill has been referred to the House Healthcare Access & Affordability Committee.

H.B. 134, H.B. 135, & H.B. 135 (DeBose) – Mandatory Offering – Cancer Screenings

On April 16, 2009 Representative Michael DeBose (D-Cleveland) introduced three bills relating to various cancer screenings. All three bills would require that insurers offer to provide, as a supplemental health care service, benefits for the expenses of examinations and laboratory test for certain cancers. The offering must be to “any nonsymptomatic individual” and the examinations and tests offered must be in accordance with the most recently published American Cancer Society Guidelines. H.B. 134 relates to prostate, colorectal, ovarian and cervical cancer screenings; H.B. 135 relates to prostate cancer screenings; and H.B. 135, which also has Representative Lorraine Fende (D-Willowick) as a principal sponsor, relates to ovarian cancers screenings. All three bills have been referred to the House Healthcare Access & Affordability Committee.

H.B. 51 (Miller) – Breast Cancer

Representative Eugene Miller (D-Cleveland) introduced H.B. 51 on February 26, 2009 to create the Triple Negative Breast Cancer Commission. The commission would promote the study of this cancer which is defined as “the subtype of breast cancer characterized by cells that lack receptors for the hormones estrogen and progesterone and the protein receptor known as the human epidermal growth factor receptor2, or HER2, and therefore cannot be treated with breast cancer drugs that target these receptors, including such drugs as tamoxifen and trastuzumab”. The bill has been referred to the House Health Committee.

H.B. 56 (Miller) – Colorectal Cancer Screenings

On March 3, 2009 Representative Eugene Miller (D-Cleveland) introduced H.B. 56 to require health insurers to provide benefits for colorectal exams and laboratory tests for cancer in accordance with the most recent published guidelines of the American Cancer Society. The bill received sponsor testimony in the House Insurance Committee on March 18th.

S.B. 64 – (Coughlin) - Colorectal Cancer Screenings

Senator Kevin Coughlin (R-Cuyahoga Falls) introduced S. B. 64 on March 4, 2009 to require health insurers to cover colorectal cancer screenings. The bill, which is the same as S.B. 278 which passed the Senate last session, specifies the specific colorectal cancer screenings which insurers must cover. The bill has been referred to the Senate Insurance, Commerce & Labor Committee.

S.B. 15 (D. Miller) – Enhanced Mental Health Parity

On February 10, 2009 Senator Dale Miller (D-Cleveland) introduced S.B. 15, the “enhanced mental health parity” legislation that mandates coverage for the diagnosis and treatment of all mental illnesses and substance abuse and drug addictions. It has been referred to the Senate Health, Human Services & Aging Committee.

S.B. 25 (Schaffer) – Deductibility of Medical Expenses

On February 10, 2009 Senator Tim Schaffer (R-Lancaster) introduced S.B. 25 to authorize the deduction of unreimbursed medical expenses to the extent the expenses exceed 1% of federal adjusted gross income. The current standard is unreimbursed expenses that exceed 7.5%. The bill received

sponsor testimony in the Senate Ways & Means & Economic Development Committee on February 18th.

S.B. 34 (D. Miller) – Group Health Insurance

Senator Dale Miller (D-Cleveland) introduced S.B. 34 on February 10, 2009 to require the Ohio Department of Administrative Services to create a health insurance program that allows municipalities, small employers and nonprofit corporations or associations to purchase for their employees the same policies provided to state employees. The bill has been referred to the Senate Insurance, Commerce & Labor Committee.

S.J.R. 2 (Coughlin) – Health Care Resolution

On February 24, 2009 Senator Kevin Coughlin (R-Cuyahoga Falls) introduced Senate Joint Resolution 2 to enact Section 43 of Article II of the Ohio Constitution. It reads as follows:

“The people have the right to enter into private contracts with health care providers for health care services and to purchase private health care coverage. The General Assembly may not require any person to participate in any health care system or plan, nor may it impose a penalty or fine, of any type, for choosing to obtain or decline health care coverage or for participation in any particular health care system or plan.”

The resolution has been referred the Senate Insurance, Commerce & Labor Committee.
