# TRIVIA CONTEST

**Register Now**

- We recommend you log in using a computer (rather than a tablet/phone) as you will also need to have your answer sheet open.

- Your host will explain how the answer sheets/rules work when you guys start! The answer sheets will be distributed by the host during the event (we'll direct you to our web-based app).

Please try to log in 5-10 minutes before your event starts so the host can troubleshoot any technical issues.
