OAHU President

OAHU Members,

I would like to thank all OAHU members who participated in this year's Day at the State House. The 2019 edition was very special this year. We partnered with NAIFA – Ohio for the first time on an event and had just over 115 total participants. There was a panel discussion on legislation. Our keynote speaker, ODI Director Jillian Froment, capped a great morning event. NAIFA and OAHU members headed down to the Capitol in the afternoon to meet with lawmakers. A reception followed at the Riffe Center.

At the morning event, we randomly asked some of our members to be interviewed about why each of them is a member of OAHU. Please take just a few minutes and view these responses.
