

# Helping Ohioans with Healthcare Benefit **Choices**

---

OAHU Members:

We are writing to let you know that on July 8th, it was announced in a press release that Sedgwick, the parent company of CompManagement and CompManagement Health Systems, will acquire York – including subsidiaries CareWorks Comp and CareWorks of Ohio.

The acquisition will be finalized later this year when the transaction is complete, following regulatory approvals. At this time, there is no expectation of merging CareWorks Comp and CompManagement and both companies will remain separate.

CareWorks Comp will continue to deliver best-in-class claims management members, proven cost containment strategies, competitive refund programs, safety best practices and other services through the dedication of their talented associates in Washington and Ohio.

Thank you,

OAHU
