New OAHU [FROM:] Email Address

We are excited to announce changes are coming to www.ohioahu.org!

As part of these changes, ***please note that you will begin receiving messages from our new [FROM:] email address which is ohahu@memberclicks-mail.net*** - please make sure this address is adding to your safe senders list so that you do not miss any important communications moving forward.

Pardon our dust as we are still under construction with this project. Keep watch for updates coming within the next few weeks. Any questions or feedback is welcome and can be directed to the OAHU office at 330-273-5756.

We're excited! We hope you will be, too!
